16 Series

Ultra-Slim Aluminum Hinged Door

MIVON
Application Parameters
Door leaf thickness: 45mm
Aluminum thickness: 2.0mm
Type: Non-thermal break aluminum
Glass Type: Option 1 : 8mm tempered glass (standard configuration) Option 2 : 5+12Ar+5mm double-glazed tempered glass
Material: 6063-T5 aluminum alloy
Frame height:Unlimited (customizable)
Frame width:Unlimited (customizable)
Applicable scenarios: Interior

Enable Option

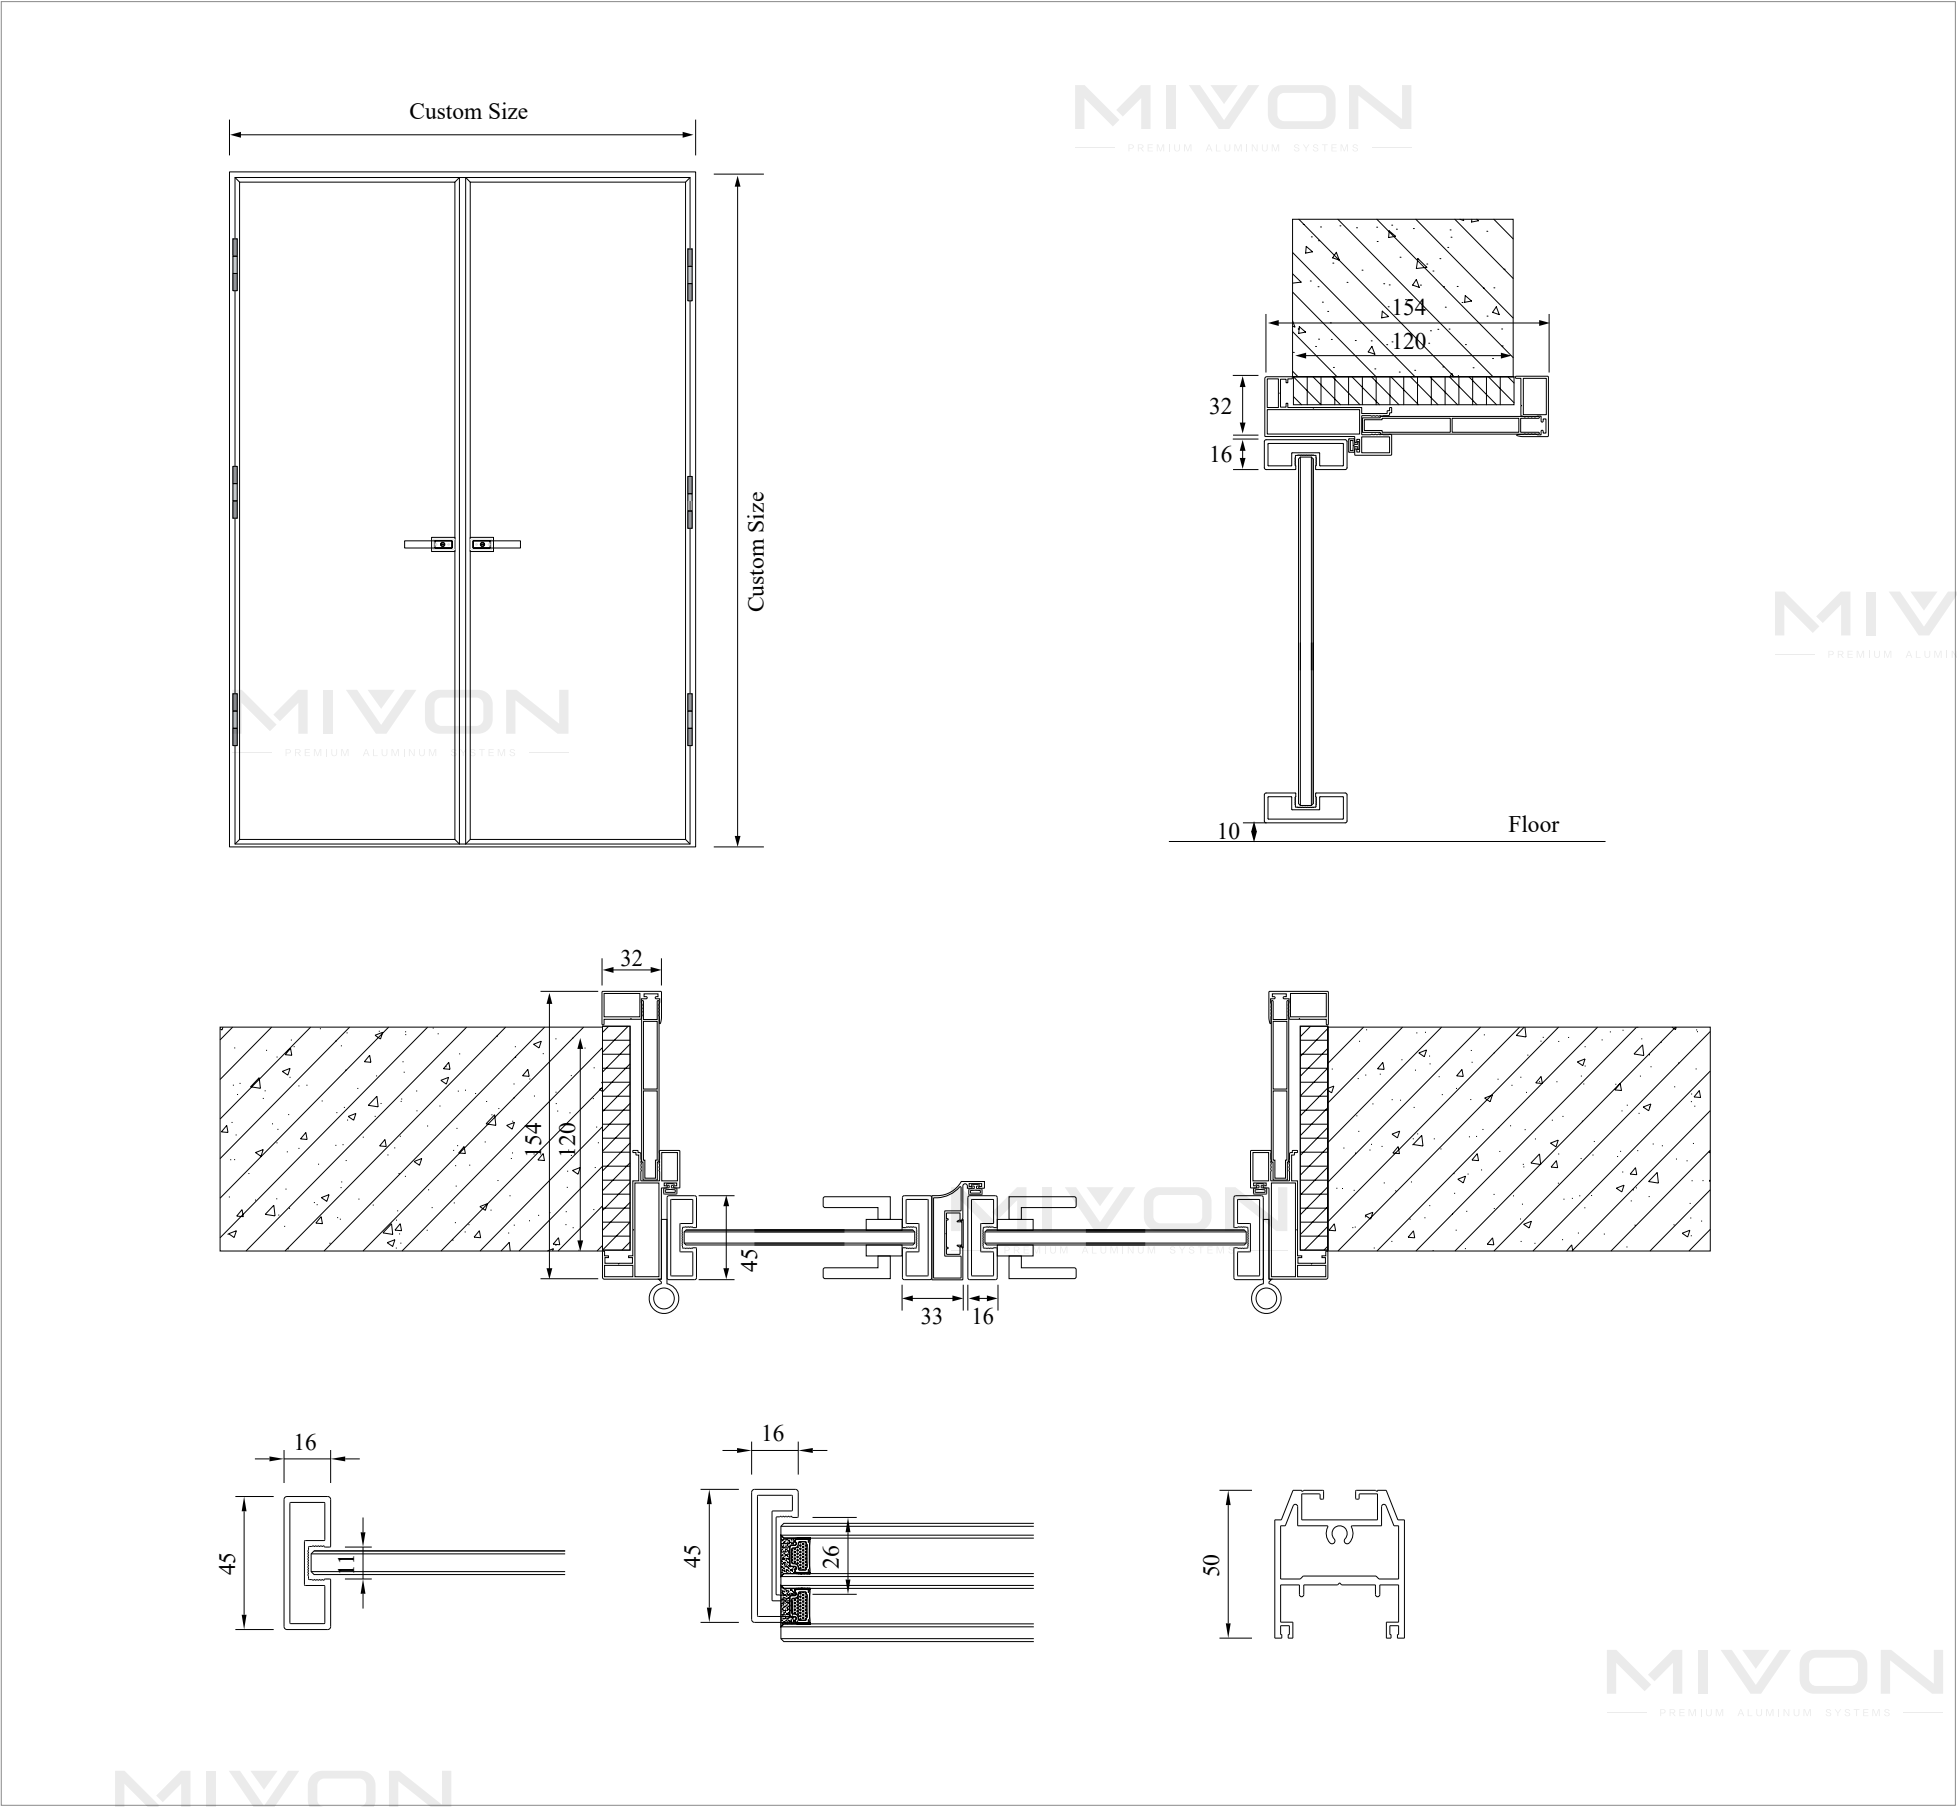

Warranty Period

The entire unit comes with a 3-year warranty.
As glass is fragile, the warranty does not cover breakage caused by human-induced impact.

Standard colors

- Matte black
- Sand gray
- Glossy white

Enable Option

Product Description

- Features an 18mm visible frame profile that minimizes visual obstruction, creating a more open and airy feel.
- The pivot opening mechanism is ideal for compact spaces or narrow corridors; the trackless design ensures unobstructed passage.
- It offers both 90° and 360° opening options, operating smoothly and silently with built-in soft-close and hold-open functions.
- With all hardware fully concealed, the design showcases only pristine glass and a slender aluminum frame, exuding a premium, minimalist aesthetic.

Accessories

Glass and door handle options can be customized; please consult the sales staff.
