ABOUT US

Established in 2012, Foshan Miaofeng Building Materials Co., Ltd. is located in Foshan City, Guangdong Province, enjoying a strategic location with convenient transportation. As a high-tech enterprise integrating R&D, design, manufacturing, sales, and service for aluminum alloy doors, windows, curtain walls, sunrooms, and pergolas, we are steadfast in our commitment to rigorous quality control and exceptional customer service.

We offer two specialized product lines—commercial and residential doors and windows—with all products fully customizable to meet your specific architectural requirements.

We hold ISO 9001, 3C, and US NFRC certifications, alongside relevant international test reports. Our products are exported to numerous countries and regions worldwide, and we are dedicated to providing customized solutions that keep pace with market trends.
